

## Camp Lou Henry Hoover, Middleville, NJ

# Work Weekend

### March 16<sup>th</sup> to 18<sup>th</sup>, 2012

Work Weekend is an opportunity for individuals, families, friends and troops to spend the weekend at Camp Lou Henry Hoover and to give something back to the beautiful 340-acre camp. Each person attending Work Weekend will help to revitalize camp after the long, hard winter and help prepare it for the spring and summer camping season. Volunteers skilled in carpentry, plumbing, maintenance and electrical work are needed to complete a variety of projects. Other projects include cleaning cabins, organizing program supplies, taking inventory, washing windows, cleaning and stocking the program boxes, clearing and tagging trails, painting and much more.

Feel free to come for the full weekend or plan on participating for just the day or one night. All volunteers should be prepared for a day of WORK and an evening of fun. Volunteers arriving on Friday evening will help get the wheel rolling and work on indoor projects in the Dining Hall. Bring your own food for breakfast and snacks, but join us for lunch and dinner in the Dining Hall on Saturday. Housing arrangements are co-ed. If you need to be housed differently, please note it on the application.

Please help us by bringing any tools and/or cleaning equipment to make the process easier and so that there is enough for everyone. Tools and supplies needed

include: saws, hammers, wet/dry vacuums, paper towel, rubber gloves, window cleaner, sponges, hammers, etc.
