September 1, 2011

Dear Parents,

We are passing out this letter to help us complete the process of obtaining the Troop's 2012 registration information and fees by the beginning of December. Please have a check made payable to "BSA Troop #310" (no cash please) and return to Mrs. Linda Bean at our regular Wednesday night scout meetings or give it to any Troop Leader. The worksheet will guide you on what the check amount should be.

There are two worksheets attached to this letter. The first sheet needs to be filled in to calculate your scouting registration costs. The second sheet on the next page, **2012 Registration Costs**, is used to complete your registration record information so we can file it with council. **Both of these sheets must be completed and returned together.**

If your child graduated from 2nd Year Webelos into Boy Scouts this calendar year, you should have received a Boy Scout Youth Registration form. This form should be completed and turned into a Troop Leader. If your child is in his first year of Boy Scouts and you have not completed and handed in this form, please do so as soon as possible. With this form, we tell the Scout Council that your son is transferring from Cub Scouts to Boy Scouts. If you, as a scout parent, wish to register as a Troop Committee member or Uniformed Leader, we will provide you an adult registration form that must be filled out and returned to the Troop along with the registration fee. Most transferring Webelos' parents are already registered through the end of this year because of the Cub Scout registration process. If you need either of the registration forms (Scout or Adult), please see a Troop Leader.

There is a \$1.00 transfer registration fee for each new scout transferring from Cub Scouts to Boy Scouts, and our troop will pay this fee to council. This covers the transferred scouts' registration for the remainder of 2011.

Thank You, Any Questions Please Call 908-403-0368
