

N7-358-11-1
Wood Badge for the 21st Century
September 10-12 and October 1-3, 2011
Camp Winnebago and Camp Lewis, Hibernia

Cluster Course: N7-358-11-1 is a cluster course sponsored by both Patriots' Path Council and Northern New Jersey Council. However, the course is open to Scouters from any council.

Purpose: Wood Badge is advanced training for ALL adult Scout leaders -- Cub Scout, Boy Scout, Varsity and Venturing – at all levels of Scouting -- pack, troop, team and crew, district and council volunteers as well as our professional Scouters. It provides a common foundation for all BSA programs, including the most modern leadership and team-building practices into Scouting's overall vision. The skills learned are applicable to any organization, and it focuses on practical ways to bring the Scouting Mission to life in units, districts, and councils. While not an outdoor skills course, it uses the methods of scouting including patrols and the outdoor experience. This is a “must take” course for Scouters at all experience levels.

What will I get out of it? You will develop better leadership skills, gain knowledge, have a great experience, enjoy Scouting fellowship and have lots of FUN bringing the best program you can to our youth.

Cost: Estimated cost is \$285, with \$100 due at sign up and the balance by July 1, 2011.

Additional Information: Contact Mike Sass at 973-765-9322 ext. 248 or michael.sass@scouting.org.
